An entertaining thriller, full of wit and sophistication, is coming to the Liberty stage at the end of the month.

Performances are on January 26 at 7:00, January 27 at 3:00 & 7:00, and 3:00 January 28. Tickets can be purchased online at libertytheater.org and at the box office.

Endowment Secures Liberty's Future

Recently, through the generosity of a small group of donors, an endowment fund was established with the Blue Mountain Community Foundation. The fund will contribute in perpetuity annual operations and capital project support for the Liberty Theater and its annual programming.

The creation of this TVAC Endowment Fund is a good start to ensuring our theater continues to be a vital institution for Columbia County families well into the future. The TVAC board of directors is currently developing a plan to further grow the fund into a substantive source of revenue.

A donation link can be found on the theater website with options for general operations or endowment giving. If you are interested in contributing or would like more information, please contact Kirsten at the theater or the Blue Mountain Community Foundation at 509-529-4371.
