**Jurassic World: Dominion**- Steven Spielberg and Colin Trevorrow return to executive produce Universal Pictures and Amblin Entertainment's *Jurassic World 3*, the next chapter in one of the biggest franchises in the history of cinema. Producers Frank Marshall and Pat Crowley once again partner with Spielberg and Trevorrow in leading the filmmakers for this installment. Joining the Jurassic team for the first time is Emily Carmichael (upcoming *Pacific Rim Uprising*, *The Black Hole*), who will craft the *Jurassic World 3* screenplay with Trevorrow. They will work off a story by Derek Connolly and Trevorrow, who together co-wrote *Jurassic World* and this summer's highly anticipated *Jurassic World: Fallen Kingdom*.

The Duke: is set in 1961 when Kempton Bunton, a 60-year old taxi driver, stole Goya's portrait of the Duke of Wellington from the National Gallery in London. It was the first (and remains the only) theft in the Gallery's history. Kempton sent ransom notes saying that he would return the painting on condition that the government agreed to provide television for free to the elderly. What happened next became the stuff of legend. Only 50 years later did the full story emerge -- a startling revelation of how a good man set out to change the world and in so doing saved his son and his marriage.

The Fall Musical -- *THE SOUND OF MUSIC*

The now-classic story of the Trapp Family Singers. The play is about a young Austrian postulant in Salzburg, Austria, in 1938 who is sent to the villa of a retired naval officer and widower to be governess to his seven children. After bringing love and music into the lives of the family, she marries the officer and, together with the children, finds a way to survive the Nazi invasion of their homeland.

Liberty Theater produced this musical in 2005 and is delighted to offer it again.

13 shows planned for Nov 10- Dec 3, 2022

Please get vaccinated if not already. The COVID surge interfered with our ability to put on this show in the Fall of 20 & 21, and Spring 22. We will continue monitoring COVID-19 activity as we approach Fall 2022.
