THE DAY THE EARTH BLEW UP: A LOONEY TUNES MOVIE APRIL 4-8 *Porky and Daffy, the classic animated odd couple, turn into unlikely heroes when their antics at the local bubble gum factory uncover a secret alien mind control plot. Against all odds, the two are determined to save their town (and the world!)...that is if they don't drive each other crazy in the process.*

LAST BREATH APRIL 11-15 *A heart-pounding film that follows seasoned deep-sea divers as they battle the raging elements to rescue their crewmate trapped hundreds of feet below the ocean's surface. Based on a true story, LAST BREATH is an electrifying story about teamwork, resilience, and a race against time to do the impossible. Rated: PG-13 for brief strong language. Runtime: 93 min.*

THE KING OF KINGS APRIL 18-22 *A father tells his son the greatest story ever told, and what begins as a bedtime tale becomes a life-changing journey. Through vivid imagination, the boy walks alongside Jesus, witnessing His miracles, facing His trials, and understanding His ultimate sacrifice. The King of Kings invites us to rediscover the enduring power of hope, love, and redemption through the eyes of a child. RATED: PG for thematic material, violent content and some scary moments. RUNTIME: 105 min.*

THE FRIEND APRIL 25-29 *In THE FRIEND, writer and teacher Iris (Watts) finds her comfortable, solitary New York life thrown into disarray after her closest friend and mentor (Murray) dies suddenly and bequeaths her his beloved 150 lb. Great Dane. The regal yet intractable beast, named Apollo, immediately creates practical problems for Iris, from furniture destruction to eviction notices, as well as more existential ones, his looming presence constantly reminding her of her friend's problematic choices in both life and death. Rated: R for language including a sexual reference. Runtime: 119 min.*

MINECRAFT MAY 2-6 *Welcome to the world of Minecraft, where creativity doesn't just help you craft, it's essential to one's survival! Four misfits—Garrett “The Garbage Man” Garrison (Momoa), Henry (Hansen), Natalie (Myers) and Dawn (Brooks)—find themselves struggling with ordinary problems when they are suddenly pulled through a mysterious portal into the Overworld: a bizarre, cubic wonderland that thrives on imagination. To get back home, they'll have to master this world (and protect it from evil things like Piglins and Zombies, too) while embarking on a magical quest with an unexpected, expert crafter, Steve (Black). Rated: PG for violence/action, language, suggestive/rude humor and some scary images Runtime: 101 minutes.*
