

Closure/Cancellation Policy

- It is always the intention of the Liberty Theater to remain open on schedule for every event when possible.
- In may be necessary, given circumstances beyond our control, to close or curtail scheduled events. Any closure or cancellation will be announced as reasonably possible to the public, and ticket holders in particular, through available means.
- In general, all ticket sales are final, with no refunds or exchanges. However, patrons unable to use tickets they have purchased may be invited to donate their purchases back to the theater to be resold. If this is done in sufficient time that the tickets might be resold, the donation can be considered tax-deductible.
- If the scheduled event did occur, regardless of inclement weather or other circumstances, no refunds or exchanges will usually be allowed.
- For cancelled events, refunds or exchanges will be offered to patrons requesting them, for up to 30 days after the event's scheduled date.
- If an event or performance is rescheduled, pre-sold tickets will be honored at the rescheduled event or performance; or refunds/exchanges will be offered if patrons request them, for up to 30 days after the original event/performance date.

- In the case of regularly-scheduled movies, if no patrons have arrived by the scheduled start time of a movie, the theater retains the right to close and no movie will be shown.
